# Retractable Awning Features

## Retractable Window, Patio and Porch Awning Features

Aristocrat Retractable Awnings are engineered and designed to give you the most attractive, durable awning with the best protection available today.

Custom manufactured by Craft-Bilt Manufacturing Company in our state of the art factory in Souderton, Pennsylvania.

Recognized as experts in the design, production and installation of retractable awnings, and known for our dedication to quality products and customer focus, we continue to keep abreast of technological changes with training, new equipment, and innovative packaging.

STATE OF THE ART AWNING PRODUCTION FACILITIES  
MANOR AWNING

CLOSED CASSETTE

Patio & Window Awnings by Aristocrat are built to perform and last

Add a finishing touch to your home

Retractable patio, deck and window awnings bring much valued shade to your home, substantially lowering air conditioning bills and protecting valuable furnishing and carpets from fading.

Hundreds of beautiful fabrics from European and American mills. You will find the perfect match for your architecture and color scheme.

Maintenance free!

Manufacturer's LIFETIME LIMITED TRANSFERABLE warranty backed by Craft-Bilt Manufacturing Company, a leader in home improvements since 1946.

All aluminum baked on enamel and powder-coated finish for no maintenance

Stainless steel fasteners covered with plastic caps for durability

Exclusive sewing with translucent GORE™ TENARA® thread - made from 100% expanded PTFE, one of the most chemically resistant substances known - backed by a manufacturer's guarantee to produce seams that last the lifetime of the fabric

Teflon coated bushings for smooth quiet operation.

No need for painting or lubrication through the lifetime of the unit

A variety of system control options - manual or motorized, remote control, sun/wind sensor

Solution dyed fabrics guaranteed against rot and mildew

Widths starting at 5 ft and projection lengths available in 8 sizes, ranging from 4' 11" to 16' 5"

Customized shade throughout the day by opening your awning to any desired point up to its full projection length

Front Profile and End Cap includes exclusive Gutter and Drainage System

Mounts beautifully on house wall, roof or soffit

Motorized or hand operated, with automatic sun and wind sensor options

No costly replacement or removal costs

Exclusive fabric tray keeps fabric taut while extended and eliminates the need for roll tube supports that can cause damage

Security and protection of cassette is ideal for vacation homes

## Aristocrat Awning Options that suit your needs and lifestyle

The VARIO VALANCE gives you extra protection from low sun or more privacy under your Estate of Slim Fit Awning. Designed to be lowered from the awning's front bar to the desired level of comfort, the vario valance can be made with solid acrylic or PVC polyester mesh fabrics. Manual or motorized operation available.

## The Manor Awning

A premier, true full cassette system that completely encloses the fabric and hardware in a handsome permanently painted case. The extruded aluminum case provides security and protection for the awning when retracted - ideal for vacation homes.

## The Estate Awning

Our most popular model designed to give you an attractive and durable awning with features that stand above the rest.

## The EKO Awning

Aristocrat quality at an economical price. Available in widths from 8 ft to 23, and in projections of 6'11", 8'6" and 10'2". Motorized option available.

## The SLIM FIT Awning

A retractable awning engineered with cross-over arms designed to fit into narrow spaces, and still provide full shade coverage. Slim Fit awnings come as narrow as 5 ft 1 inch - ideal for balconies or to mount next to bump-outs and chimneys.

## COMMERCIAL SHADE PRODUCTS

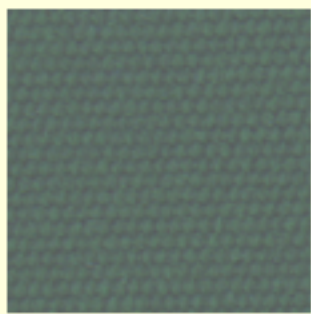

A full line of shade products to help save energy, and distinguish your business.
